

Happy New Year!

Mother Nature and Ullr seem to be working over time this winter. What a great start to the ski season not only in the Southeast but the West as well. We keep swinging from bitterly cold and snowy to unseasonably warm and back again to snow. As for CSC activities.....

## **CONVENTIONS**

Spring Convention 2011 information has been sent out. Please be aware of the deadlines and late fees which will be enforced.

## **TRIPS**

**There are currently 138 participants for Taos!**

The deadline for signing up for Powder Mountain/Snowbasin in Ogden, Utah has been extended to January so don't delay. Contact your trip leader if you are interested, or go to the CSC website for information to sign up with another club. If haven't signed up for this trip, you are going to miss an unbelievable opportunity to ski new resorts and broaden your abilities!

**Telluride** was an overwhelming choice for **January 2012 Ski Week**, and RFP's will go out in November to the eligible tour operators

Remember that Rod is still looking for a Treasurer for 2011-12. An accounting background is highly recommended. If you are interested, please contact me. It would be nice to train with Rod for a year and learn the ropes.

Everyone, including the committee chairs, is hard at work. Crescent is fortunate to have an excellent group of people who have volunteered to serve in many capacities. Be sure to thank them and remember that we are always looking for more volunteers.

Please distribute these updates to your members, via email, your newsletters or by placing them on your web site. If you received this update and are not the current officer, please forward to the appropriate person. Let's keep our members informed!

Thank you for allowing me to serve as your president.
