¹ Club names are shown for their known incarnations. Beginning circa the late 1980s and 1990s, many clubs changed their names to include “& Outing” or “& Adventure” or “& Sports” or something similar as a means of attracting a broader base of members.

² All clubs draw members from surrounding areas, sometimes including other adjacent or non-adjacent states.

³ Clubs are counted as part of the Crescent Ski Council based on their appearance in any edition of the Crescent Directory. This editor (Ken Lumsden, Winston-Salem Ski & Outing Club; Crescent Member Services Chair) is missing directories for the editions prior to 1980-1981 and for the specific editions 1989-1990, 1994-1995, 1996-1997, 2001-2002 and 2004-2005.

⁴ Clubs are listed as “currently part of Crescent” for their current incarnation. Note that at the time of the Southern Star Races, “clubs” were referred to as “Member Clubs of Crescent.” Circa 2001, Crescent changed its bylaws to conform to IRS requirements, which required that individual people, not entities (i.e., not clubs) be members of tax-exempt organizations. Under the change of bylaws, the “members” of Crescent are individual people. One of the eligibility requirements is that the Member of Crescent must be a member of an Authorized Club of the Crescent Council. “Yes” in the “Currently” column indicates a club is an Authorized Club of the Crescent Ski Council and the members of the respective Authorized Clubs are Members of the Crescent Ski Council.

⁵ Apres Ski Club (Woody Brooking, president) appears in the 1983-1984 edition of the Crescent Directory. Woody was also president of the Nuclear Fuel Services Ski Club at the same time.

⁶ Atlanta Ski Club was briefly a member of the Crescent Council in the late 1980s (?). See Note (1) regarding data missing for 1989-1990. Atlanta Ski Club rejoined Crescent and appears in the 2006-2007 edition of the Crescent Directory.

⁷ Beaufort Ski Club appears as “Beaufort” (due to a formatting change in the directory, continued from the previous edition) in the 1991-1992 edition of the Crescent Directory.

⁸ Beckley Ski Club (Doug Hambric, president) appears in the 1986-1987 edition of the Crescent Directory.

⁹ Beach Mountain Ski Club Snow Chasers (Mike Epley, president) appears in the 1986-1987 edition of the Crescent Directory.

¹⁰ Beech Mountain Ski Club (John W. Earnhardt, president) appears in the 1984-1985 edition of the Crescent Directory in the correct alphabetical place in the order of clubs, but the word “BEECH” was omitted from their name. This editor (Ken Lumsden) judges the omission to be a misprint.

Later, they disappeared and Fayetteville Ski Club appeared in its place beginning with the 1990-1991 (or maybe prior year—see Note (1) regarding missing data for 1989-1990. **This editor (Ken Lumsden) believes** the current “Cape Fear Ski & Outing Club” to be the successor to all of the original Cape Fear Ski Club, the Fayetteville Ski Club and the Fayetteville Ski & Outing Club (1993-1994 edition of Crescent Directory).

¹⁶ Central Florida Snow Skiers appear in the 1999-2000 edition of the Crescent Directory.

²² The current official name of ETMM is “East Tennessee Mogul Mashers Ski Club.” Previously, they were just “East Tennessee Mogul Mashers.” Currently, no one refers to them as “...Ski Club,” even though that is their official name.

²³ East Tennessee Mogul Mashers first appears in the Crescent Directory in the 1983-1984 edition.

²⁴ Fayetteville Ski Club (Jerry Smith, president) appears only as “Fayetteville” (due to a formatting change in the directory) in the 1990-1991 edition of the Crescent Directory. This editor (Ken Lumsden) does not have a copy of the 1989-1990 directory, so cannot determine whether Fayetteville Ski Club was a member club of Crescent before 1990-1991. But, see note, above about Cape Fear Ski Club for a likely link.

²⁵ Foothills Ski Club (Tom Bodnar, president) appears in the 1988-1989 edition of the Crescent Directory.

²⁶ Greeneville Ski Club, Greeneville, TN (Sharon Huff, president) first appears in the 1984-1985 edition of the Crescent Directory.

²⁷ Greensboro Ski & Sport Club appears in the 1997-1998 edition of the CSC Directory as “Greensboro Ski & Outing Club.” See Note (1) regarding missing data for the two years prior.

²⁸ Nat Greene Ski Club is the only club known to have significantly changed their name. This happened when Jim Morgan, a past president of the Durham-Chapel Hill Ski Club (and later “Durham-Chapel Hill Ski & Sports Club”), moved to Greensboro. At the time, the Nat Greene Club existed and had funds in its treasury, but the club was not active. Jim became president-elect of Nat Greene Ski Club and was instrumental in changing the name to “Greensboro Ski & Sport Club.” The 1984-1985 edition of the Crescent Directory lists “Greensboro Ski & Sport Club” (formerly Nat Greene Ski Club). Later Greensboro Ski & Sport Club changed their name to “Greensboro Ski & Outing Club.”

²⁹ Hawksnest Ski Club (Dean Holcomb, president) appears only as “Hawksnest” (due to a formatting change in the directory) in the 1990-1991 edition of the Crescent Directory. This editor (Ken Lumsden) does not have a copy of the 1989-1990 directory, so cannot determine whether Hawksnest Ski Club was a member club of Crescent before 1990-1991.

³⁰ Hilton Head Island Ski Club (William Borzilleri, president) appears in the 1988-1989 edition of the Crescent Directory.

³¹ Hornets Nest Racing (Bill Millman, president) appears in the 1990-1991 edition of the Crescent Directory as “Hornets Nest” (due to a formatting change in the directory). See Note (1) regarding data missing for 1989-1990.
