=best run handicap

All racers completed at least one run with a qualifying handicap (85 adult; 145 ages <13 and >59)

Handicaps and qualifications by R. Mead

Notes; **Pre-race instruction** was provided by French-Swiss Instructors Thomas Putnam and John Schneelese (sp?).

Practice course was set by Bobby and salted by Kyle and Bobby. Bobby **reset the bottom** of the course for the timed runs.

Timing was via hand-held stopwatch with oral countdown by Starter (French-Swiss/John Schneelese (sp?): "Racer Ready, 3, 2, 1 GO" relayed by radio to the Timer/Scorekeeper (French-Swiss/Thomas Putnam) at the finish line.

French-Swiss/W-SSOC Ken Lumsden performed **course maintenance**.

Weather conditions: No rain. Temperatures in the 40s-50s. No wind. Moderate fog with periods of thicker fog during timed runs. Especially 1 PM-2 PM, thicker fog probably contributed to Jerelyn's DNF and Tim's DQ (straddled the last gate). Bobby's DQ was probably "Skiing Too Fast For Conditions".

Injuries: Beth crashed during practice, straining her right shoulder.
